No safety equipment need be worn to undertake the Canopy Circuit. Safety equipment will be provided and must be worn if undertaking any of the Short Circuit, Super Circuit or Shockwave Zip Coaster Course ("Course Activities").

(b) Furthermore, all participants in any of the Course Activities must sign an Indemnity and Release form (see clause 9 herein) to be permitted to participate in those courses. Anyone who does not meet these requirements will not be permitted to participate. It is your responsibility to ensure that you and Minors under your care meet these requirements.

LWP strongly recommends that pregnant women, people with preexisting conditions (including history of dislocation) or heart problems do not participate. If participants have medical concerns they should consult their doctor prior to making a booking. Participants will be required to certify that they do not suffer from any medical condition that may prevent them from completing the activity without injury.

- Non-compliance with safety rules and safety system;

- Appearing to be under the influence of drugs or alcohol.

(e) No refunds or compensation will be payable by LWP in the event that any participant is not permitted to, or decides not to commence, undertake or complete a chosen course activity.

One of the main reasons there are no bins is they attract native wildlife who become dependent on bin contents for food.  - Jewellery including watches and rings must be removed;
 - Long hair must be tied back;
 - Waists must be covered and belly button piercings removed or taped over for comfort.

Valuable items should not be brought to the Park. Car keys may be left with the front desk attendant. LWP will not be responsible for any damage to, or loss of, clothing or other personal items resulting from

attending the Park.

(c) Participants may take their own GoPro's into the trees, on the condition that they are safely attached with a GoPro-branded chest mount or elastic helmet mount supplied by the participant. GoPro's can be attached on LWP helmets using the approved mounts. Selfie sticks, wrist straps or adhesive mounts must not be used. LWP does not take responsibility for GoPro equipment and participants should take every care not to damage them while participating.

6. ARRIVAL TIMES AT THE PARK

In such circumstances LWP will reschedule your booking to a mutually convenient date and time, within 6

Any adult (18+) in a booking must sign an Indemnity and Release form taking responsibility for a minor listed in the same booking. It is not permitted for adults in a different booking to include minors on their Indemnity and Release form.
